

Trial License Types

Ubersmith offers two types of 30-day trial licenses, on-premise or hosted.

Hosted Trials

- Installed automatically soon after request form is submitted
- Hosted on Ubersmith's infrastructure

On-Premises Trials

- Self-installed
- Hosted by you or a provider of your choice
- Supports advanced monitoring and bandwidth tracking
- Allows you to test custom order and service modules

Request a Trial

- Click [here](#) to request a hosted or on-premise trial.
- Review [Ubersmith's system requirements](#).
