

Adding Client Tags

Client tags help you visually identify important data specific to your company at a glance, such as their service level agreement or account manager.

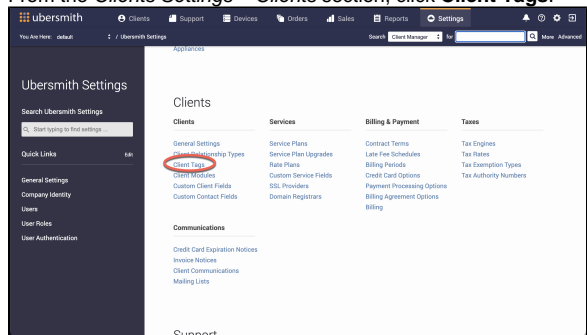

Access the Client Tags Page

1. From the Ubersmith *Dashboard*, click **Settings**.

The *Ubersmith Settings* page appears.

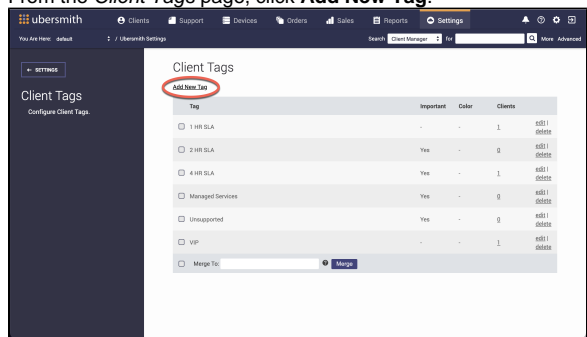

2. From the *Clients Settings – Clients* section, click **Client Tags**.

The Client Tags page appears.

Complete the Create Client Tag Page

1. From the *Client Tags* page, click **Add New Tag**.

The *Create Client Tag* page appears.

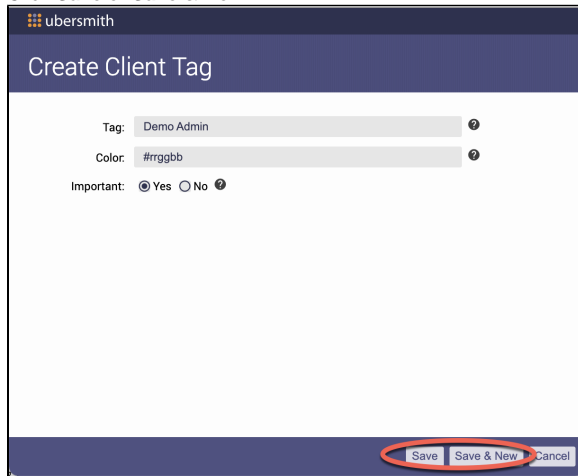

2. In the **Tag** field, enter the name of the tag.
3. In the **Color** field, enter a six-digit hexadecimal number.
4. In the **Important** field, select **Yes** if you want to display the tag in the client bar. Select **No** if you only want to display the tag in the *Tags* section in the [Client Profile](#) page.
