4. Click **Save**.

Duplicating a Quote

You can create the same quote for another existing client, with an opportunity to update any of the quote details, if necessary.

1. [Access the View Quote page.](#)
2. In the *Quote Details* section, click **Duplicate**.

The *Duplicate Quote* page appears.

3. Update any information on the *Quote Details* tab, if necessary. See [Completing the Add Quotes page](#) for more information.

4. Click the *Ownership Info* tab.
5. In the **Search** field, select the information you want to search for, such as client ID # or client name.
6. In the **For** field, enter the corresponding information for the **Search** field.
7. Click **Search**. The *Search Results* section is populated based on your search criteria.
8. Select the appropriate result.

- Click **Save**.

Add Comment

The *Service Agreement* page appears.

- In the **Client MSA** field, ensure **New MSA** is selected.
- In the **MSA** field, select **Custom MSA**.
- In the **Name** field, enter the name of the MSA to be used.
- In the **Term** field, enter the time frame for the agreement to be active, then select **Months** or **Years**.

- In the **Auto Renew** field, select **Yes** if you want the agreement to automatically renew once the term has been reached.
- In the **Renewal Term** field, enter the time frame for the renewal to be active, then select **Months** or **Years**.
- In the **Expires after service cancellation** field, enter the time frame for the agreement to expire after the related service has been cancelled, then select **Days**, **Months** or **Years**.
- In the **PDF** field, click **Choose File** and navigate to the location of your MSA PDF to upload.
- Click **Save**.

Removing a Service Agreement

You can remove an attached service agreement from the quote.

- Access the [View Quote](#) page.
- In the **Service Agreement – Default** section, click **Remove**.

A confirmation message appears.

- Click **Yes**.

Using the Global Default Service Agreement

You can add your global default master service agreement to the quote.

- Access the [View Quote](#) page.
- In the **Service Agreement – Default** section, click **Use Default**.

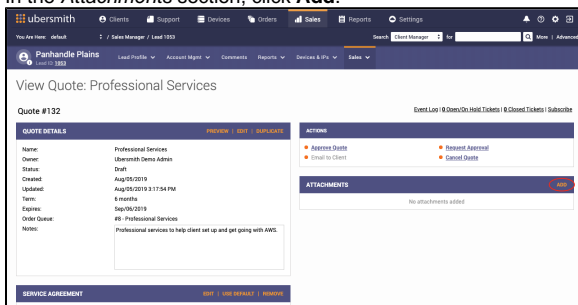

A confirmation message appears.

- Click **Yes**.

Adding Attachments

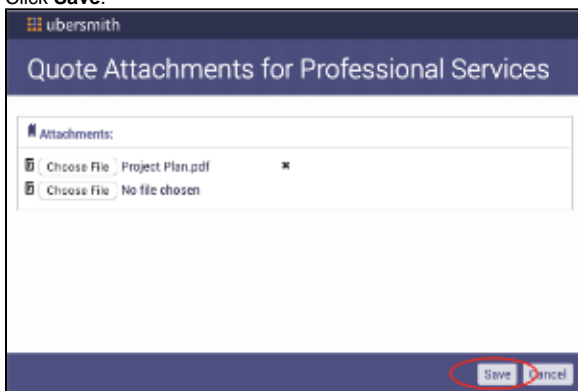

Additional PDF files can be included in the quote's contract, before the MSA, by adding attachments to the quote itself.

1. [Access the View Quote page.](#)
2. In the **Attachments** section, click **Add**.

The **Quote Attachments** page appears.

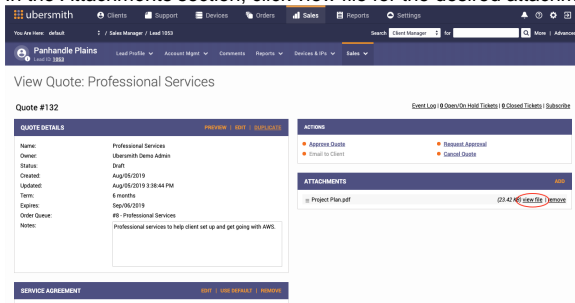

3. In the **Attachments** field, click **Choose File** and navigate to the location of your PDF to upload.
4. Click **Save**.

Viewing Attachments

You can view any attachments for the quote.

1. [Access the View Quote page.](#)
2. In the **Attachments** section, click view file for the desired attachment.

The attachment downloads in your Internet browser.

Removing Attachments

You can remove an attached PDFs from the quote.

1. [Access the View Quote page.](#)

2. In the **Attachments** section, click remove for the desired attachment.

The screenshot shows the 'View Quote: Professional Services' page for Quote #132. The 'ATTACHMENTS' section on the right lists 'Project Plan.pdf' with a 'REMOVE' button circled in red. The left sidebar contains tabs for 'QUOTE DETAILS', 'SERVICE AGREEMENT', 'ACTIVITY', and 'COMMENTS'.

A confirmation message appears.

3. Click **Yes**.

Adding Services

Once a quote is created any number of services can be added to it.

1. [Access the View Quote page.](#)
2. In the **Services** section, click **add service**.

The screenshot shows the 'View Quote: Professional Services' page. The 'Services' section at the bottom contains a table with one service: 'Professional Services' with a quantity of 1 and a price of \$60.00. An 'add service' button is circled in red in the top right corner of the Services section.

The **Add Service** page appears.

3. Complete the **Service Info**, **Taxes**, **Notes** and **Custom Fields** tabs. See [Completing the Add Services Page](#).
4. Click **Save** or **Save & New**.

Editing Services

1. [Access the View Quote page.](#)
2. In the **Services** section, click **edit** for the service.

The screenshot shows the 'View Quote: Professional Services' page. The 'Services' section at the bottom contains a table with two services: 'Professional Services' and 'Add Service Billing'. An 'edit' button is circled in red in the top right corner of the Services section.

The **Add Service** page appears.

3. Make any necessary changes. See [Completing the Add Services Page](#).
4. Click **Save**.

Duplicating Services

You can add multiple copies of the same service to a quote.

1. [Access the View Quote page.](#)

- In the **Services** section, click **duplicate** for the service.

Term: 6 months
Expires: Sep/06/2019
Order Queue: #8 - Professional Services
Notes: Professional services to help client set up and get going with AMS.
