

Managing Client Profiles from the Client Portal

Client Profile provides your clients with the demographics, payment methods, passwords, and contact information you have entered for them. Client profile information is originally entered in the [Client Manager](#).

View Profile

Clicking **View Profile** opens the *Client Profile* page. From the *Client Profile* page, your clients can view their address and contact information and perform the following actions.

Tracy Landscaping 8 open Schedules 6 closed Schedules 1 outstanding invoice 2 active services Log Out

Client Profile

Enabling Two-Factor Authentication

Clicking **Click to enable** in the *Authentication* section opens the *Two-Factor* page. This provides your clients with the ability to use a TOTP multi-factor authentication application to log into Ubersmith.

The screenshot shows the 'Client Profile' page for 'Tracy Landscaping'. The 'Authentication' section is highlighted, showing 'Password' and 'Two-Factor' options. The 'Two-Factor' option has a red circle around the 'Click to enable' button. The 'Billing Summary' section shows 'Invoice Send Date' as '15th', 'Status' as 'Not available', and 'Late Fee Schedule' as 'No Late Fees'.

View all Comments

Clicking **view all comments** opens the *View Account Comments* page. This information is automatically populated from client comments, if the comments have been marked as client viewable.

The screenshot shows the 'Client Profile' page for 'Tracy Landscaping'. The 'Latest Comment' section shows a comment from 'demoadmin' dated '9:58:44AM Mar/07/2018'. The 'view all comments' link is highlighted with a red circle. The 'Authentication' section shows 'Password' and 'Two-Factor' options. The 'Billing Summary' section shows 'Invoice Send Date' as '15th', 'Status' as 'Not available', and 'Late Fee Schedule' as 'No Late Fees'.

Add Contacts

Clicking **add contact** opens the *Add New Contact* page. This enables your clients to create a new contact with whom your users can interact with.

The screenshot shows the 'Client Profile' page for 'Tracy Landscaping'. The 'Add Contact' button is highlighted with a red circle. The 'Authentication' section shows 'Password' and 'Two-Factor' options. The 'Billing Summary' section shows 'Invoice Send Date' as '15th', 'Status' as 'Not available', and 'Late Fee Schedule' as 'No Late Fees'.

Edit Contacts

Clicking **edit** opens the *View Contact* page, where your clients can update their contact information.

Note

If a contact needs to change their email address, they must first provide their current password.

Payment Methods

Clicking **Payment Methods** opens the *Payment Methods* page. From the *Payment Methods* page, your clients can view, edit and delete their credit card and bank accounts on file and perform the following actions.

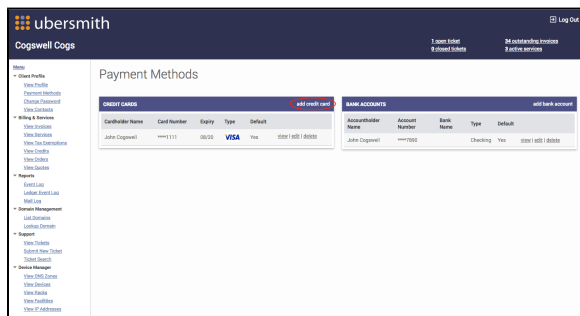

You can control what payment types are editable from the *Settings* page.

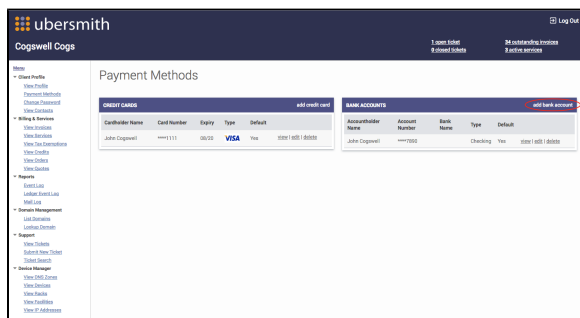

Add Credit Card

Clicking **add credit card** opens the *Add Credit Card* page, where your clients can add their credit card account and billing account information.

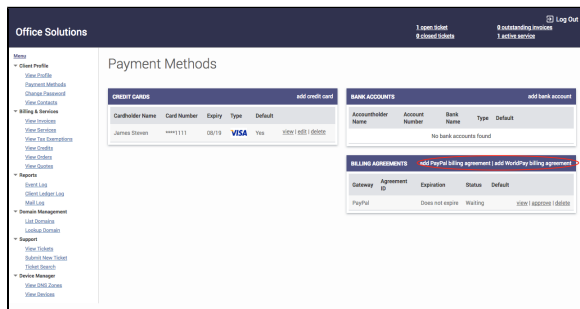

Add Bank Account

Clicking **add bank account** opens the *Add Bank Account* page, where your clients can add their bank account and billing account information.

Add Billing Agreements

Clicking add PayPal billing agreement or add WorldPay billing agreement opens the PayPal or WorldPay site, where your clients can establish a billing agreement to use the merchant as a payment method.

Change Password

Clicking **Change Password** opens the *Change Password* page, where your clients can change their own account-level password.

Change Password

Create New Password

Password Requirements:

- Password must not be the same as the username
- Password must be at least 7 characters
- Password must contain both alphabetic and numeric characters
- Password cannot be one of the last 4 passwords used
