

Using the Client Ledger Report

The Client Ledger report lists all events that have affected the balance of a client's account. The report is available to view from the Client Profile page and is also able to be sent by email. The report covers the entire history of the account, including all invoices, payments, and credits from the beginning of the account to the current date. Each page of the report has a total for the current page, and the current account balance.

Accessing the Report

1. From the *Ubersmith Dashboard*, click either **Clients** or **Go to Client Manager**.

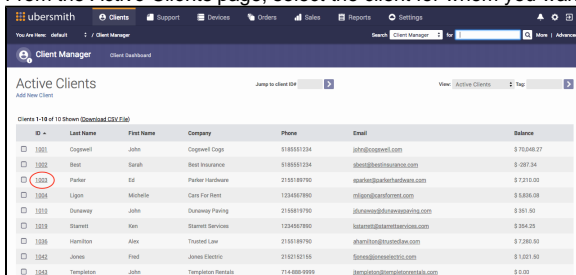

The *Client Manager Dashboard* appears.

2. From the *Client Manager Dashboard*, click **View All Clients**.

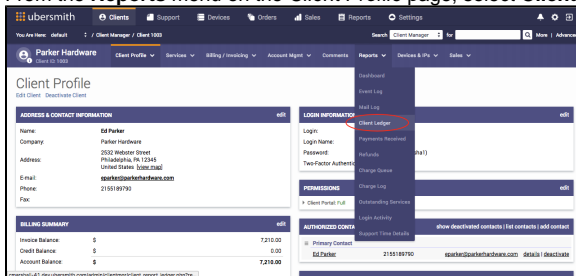

The *Active Clients* page appears.

3. From the *Active Clients* page, select the client for whom you want to run the report.

The *Client Profile* page appears.

4. From the **Reports** menu on the *Client Profile* page, select **Client Ledger**.

The *Client Ledger* report appears.

Filtering

- Narrow the results of the report by entering a beginning date in the **View From** and an ending date in the **To** field.

- Removing the dates returns the full history.
