

Managing Services

Once you have [created a service](#), you can perform various actions on it.

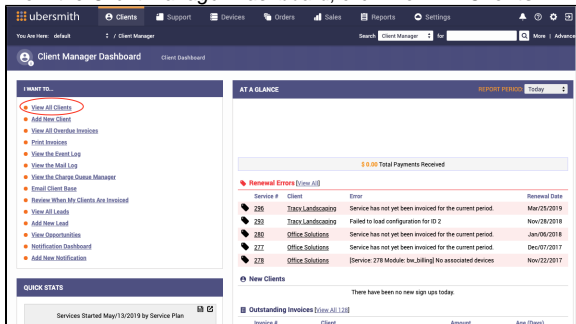

Access the Service Details Page

1. From the *Ubersmith Dashboard*, click either **Clients** or **Go to Client Manager**.

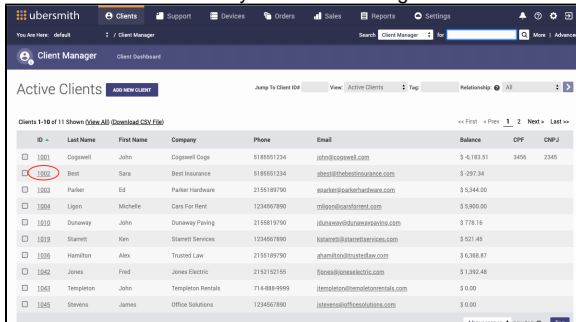

The *Client Manager Dashboard* appears.

2. From the *Client Manager Dashboard*, click **View All Clients**.

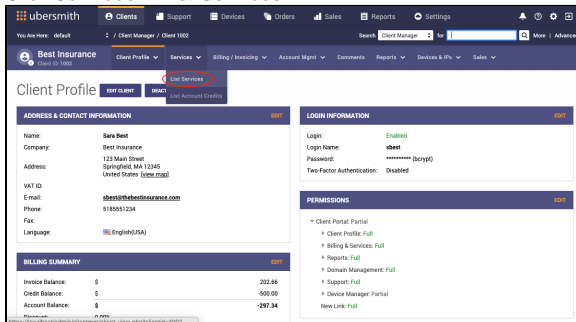

The *Active Clients* page appears.

3. Select the client for whom you want to manage services for.

The *Client Profile* page appears.

4. Click **Services > List Services**.

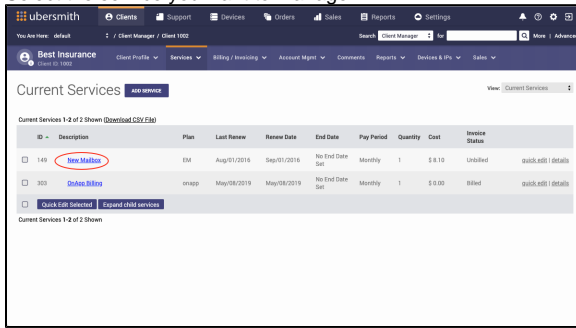

The *Current Services* page appears.

On this page:

5. Select the service you want to manage.

The *Service Details* page appears.

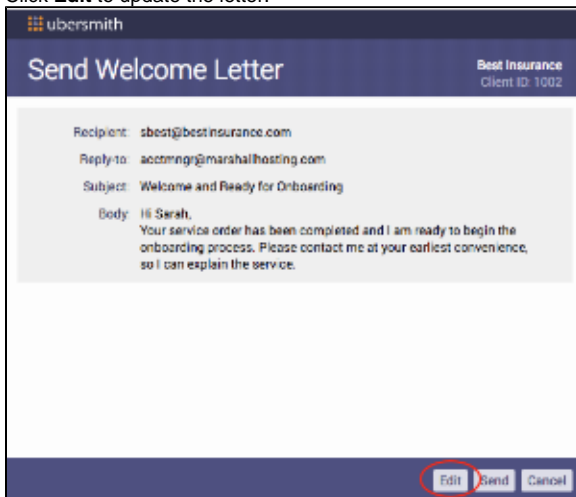

Viewing and Resending the Welcome Letter

1. Access the *Service Details* page.
2. In the *Service Description* bar, click the **vertical ellipsis** and select **View & Resend Welcome Letter**.

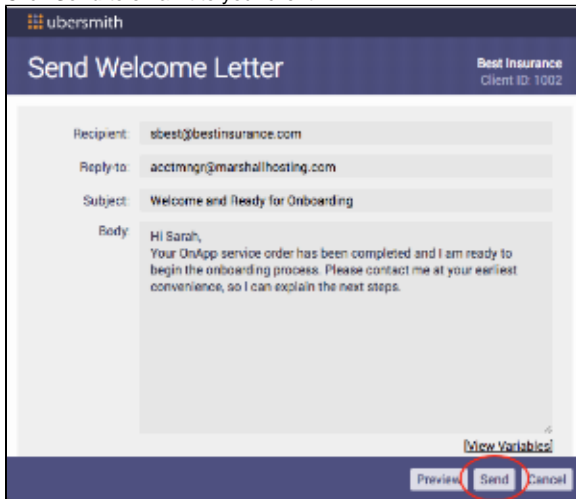

The *Send Welcome Letter* page appears.

3. Click **Edit** to update the letter.

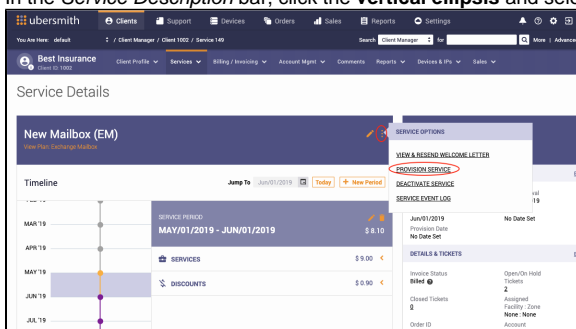

4. Click **Send** to email it to your client.

Provisioning the Service

Provision Service runs the onprovision() function for any enabled service modules on the service.

1. [Access the Service Details page.](#)
2. In the *Service Description* bar, click the **vertical ellipsis** and select **Provision Service**.

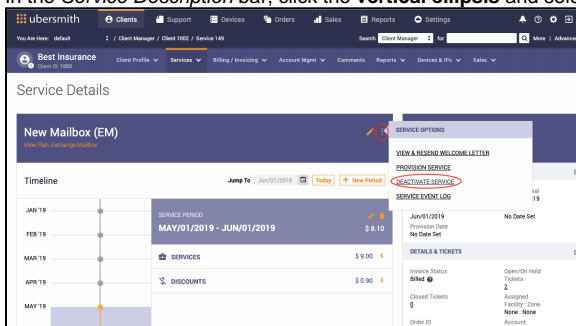

A confirmation message appears.

3. Click **Yes**.

Deactivating the Service

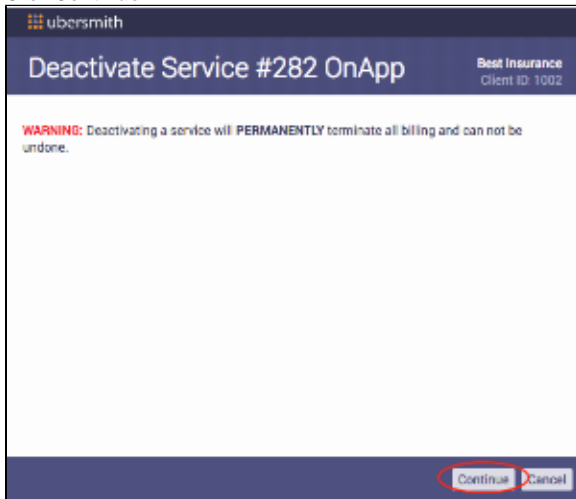

Deactivating a service permanently terminates all billing and cannot be undone. Any outstanding balances are automatically credited immediately.

1. [Access the Service Details page.](#)
2. In the *Service Description* bar, click the **vertical ellipsis** and select **Deactivate Service**.

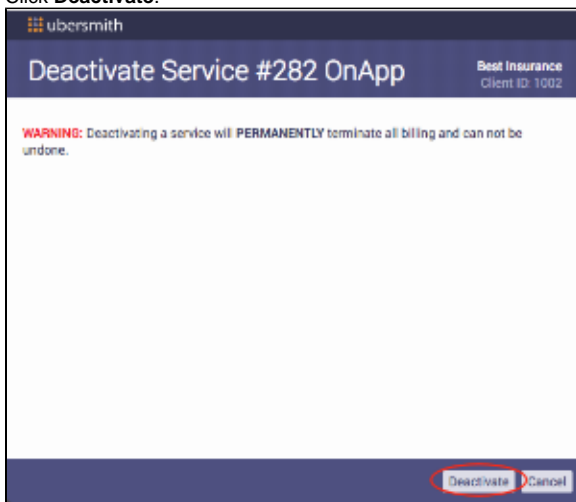

The *Deactivate Service* page appears.

3. Click **Continue**.

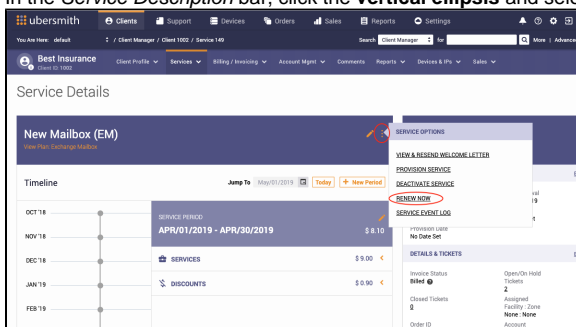

4. Click **Deactivate**.

Renewing the Service

Renewing a service is only available when the service is able to be renewed.

1. Access the [Service Details](#) page.
2. In the *Service Description* bar, click the **vertical ellipsis** and select **Renew Now**.

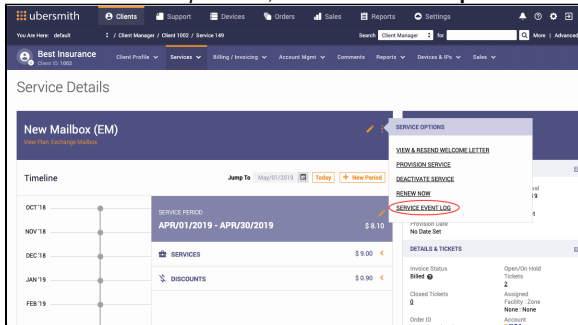

Manually Renewing

Set the **Last Renewal** and **Renewal** date fields to the current date or earlier, ensure the **Service Status** field is billed, click **Renew Now**, then send the invoice.

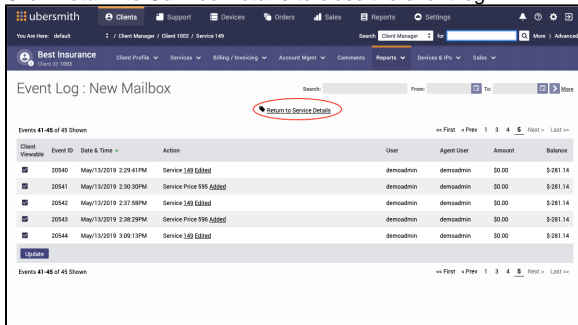

Viewing the Service Event Log

1. Access the [Service Details](#) page.
2. In the *Service Description* bar, click the **vertical ellipsis** and select **Service Event Log**.

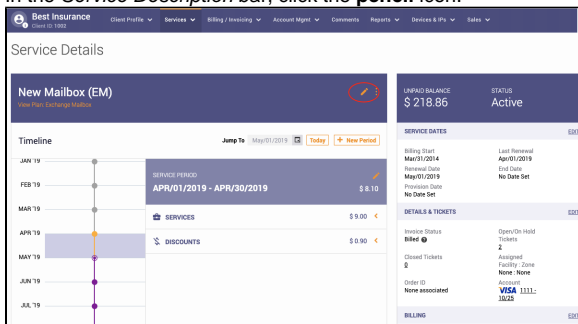

The *Event Log* page appears.

3. Click **Return to Service Details** to close the event log.

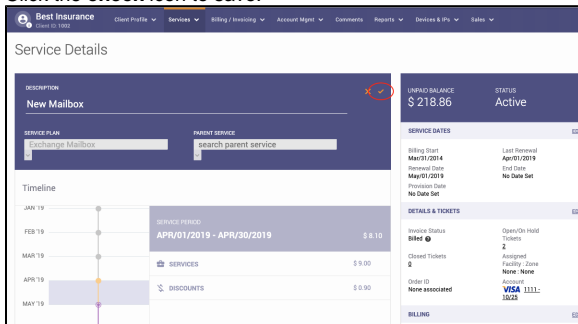

Changing the Service Plan and Parent Service

1. Access the [Service Details](#) page.
2. In the *Service Description* bar, click the **pencil icon**.

The *Service Description* bar enables.

3. Make any necessary changes. Refer to [Adding Services](#) for more information.
4. Click the **check icon** to save.

Adding and Editing Service Periods

You can add or update service-level contract terms, assigned locations, rate plans, pricing, discounts, quantity, billing periods, and billing calculations.

1. Access the [Service Details](#) page.

2. In the *Service Timeline* section, click **New Period** to add or click the **pencil** icon for the period you want to edit.

The *New Service Period* fields or *Edit Service Period* fields display.

3. Make any necessary changes. Refer to [Adding Services](#) and [Adding Price Scheduling and Prorating Services](#) for more information.
4. Click the **check** icon to save.

Viewing Service Periods

1. [Access the Service Details page.](#)
2. Select the month you want to display in the *Service Timeline* section.

The selected month's information displays. Refer to [Adding Services](#) and [Adding Price Scheduling and Prorating Services](#) for more information.

3. Click the **Services** arrow to toggle the services details on.

Editing Service Dates

1. [Access the Service Details page.](#)

- In the *Service Dates* section, click **edit**.

The screenshot shows the 'Service Details' page for a client named 'Best Insurance' (Client ID: 1002). The page has a top navigation bar with links like 'Client Profile', 'Services', 'Billing/Invoicing', etc. The main content area is titled 'Service Details' and includes a 'New Mailbox (EM)' header. Below this is a 'Timeline' section showing a calendar view from February to July 2019. To the right of the timeline is a 'SERVICE PERIOD' table with columns for 'SERVICE PERIOD', 'SERVICES', and 'DISCOUNTS'. The 'SERVICE PERIOD' table shows a period from 'APR/01/2019 - MAY/01/2019' with a price of '\$ 8.10'. Below this is a 'DETAILS & TICKETS' section with fields for 'Billing Start', 'Last Renewal', 'Renewal Date', 'End Date', 'Promotion Code', and 'No Date Set'. The 'DETAILS & TICKETS' section also includes a 'BILLED' status and a 'VISA 1111 1111 1111 1111' card number. The 'edit' link in the 'Service Dates' section is circled in red.

The *Edit Service* page appears.

- Make any necessary changes. Refer to [Adding Services](#) and [Adding Price Scheduling and Prorating Services](#) for more information.
- Click **Save**.

The screenshot shows the 'Edit Service 282' page for 'Best Insurance' (Client ID: 1002). The page has a top navigation bar with links like 'Client Profile', 'Services', 'Billing/Invoicing', etc. The main content area is titled 'Edit Service 282' and includes a 'Status' dropdown set to 'Active'. Below this are several date fields: 'Billing Start Date: Jan/14/2018', 'Last Renew Date: Jan/14/2018', 'Renew Date: Feb/14/2018', 'Planned Activation Date:', 'Activation Date:', 'Client Acceptance Date:', 'Expected Cancellation Date:', and 'End Date:'. There are also radio buttons for 'Post Renew' (Yes/No), 'Bill In Advance' (Yes/No), and 'Auto Charge' (Yes/No). The 'Automatic Payment Method' is set to 'No Accounts on File'. The 'Invoice Status' is set to 'Un-billed', 'Billed', or 'Pre-Billed'. The 'Save' button is circled in red.

Editing Details and Tickets

- Access the *Service Details* page.
- In the *Details & Tickets* section, click **edit**.
