

# Using the Charge History Report

The Charge History report is a calendar-view breakdown of the number of accepted and declined charges for the selected month and selected brand. Clicking on a given total displays the Charge Log report for the date and type of charge result.

## Accessing the Charge History Report

1. From the *Ubersmith Dashboard*, click **Reports**.

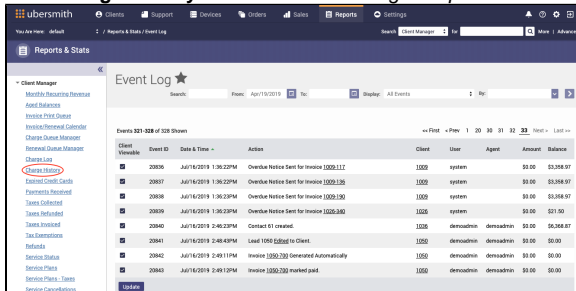

The *Reports & Stats* page appears.

2. On the *Reports & Stats* page, click the **Reports & Stats Panel arrows** to toggle the panel on. Note: You can click the **pushpin icon** to keep the panel permanently displayed.

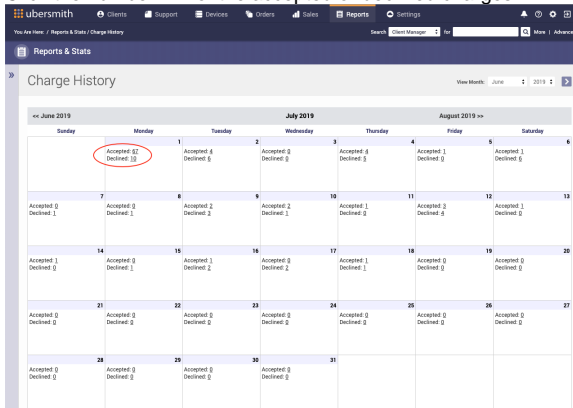

3. Click **Charge History** from the *Client Manager Reports* section.

The *Charge History Report* appears.

## Reading the Charge History Report

1. [Access the Charge History Report.](#)
2. Click the number link of the accepted or declined charges.

The *Charge Log* report appears. See [Using the Charge Log report](#) for more information.
